Things You Need to Know

1. All participants are to be where they are supposed to be when they are supposed to be there.
2. Unless Tommy or Heather and Parents have granted permission, students are not allowed to drive. Students who drive their own cars to Disciple Now must check their keys at the door with their host family.
3. Comply with all rules of your Host Home.
4. There will be no use of electronic devices, including phones without permission of your Dnow leader.
5. No guys in girls' homes and no girls in guys' homes. Absolutely no PDA (public display of affection) will be tolerated.
6. No drugs, any form of tobacco, vapes, alcohol or energy drinks!
7. If you are taking medication: Students will be responsible for their own medication; however, we need to be aware of what medication is being brought and any special instructions. Students who take medications will need to fill out a medication form. Do not share medication with anyone.
8. Do not prank anyone!!! Don't bring shoe polish, toilet paper, shaving cream, and any other thing that may take away from an awesome DNow experience for everyone.
9. We understand that Disciple Now takes up most of the weekend, and there are some scheduling conflicts. We hope you will encourage your student to remain the whole weekend and only allow them to leave for activities that cannot be missed. Students who need to be excused for a portion of the weekend will need to fill out a time away form.
10. Proper respect must be given to the Host Home you are staying in and the adults who are hosting you. Therefore, eat and drink where given permission and treat furniture and house with great care.
